## ABOUT THIS HANDBOOK

This handbook is your guide to NYC Care. In it, you will find helpful information about your membership and how the program works. Please read it before going to the first appointment with your primary care provider.

## ABOUT NYC CARE

NYC Care is the key to the City's health care that guarantees access to medical services offered by NYC Health + Hospitals to New Yorkers who do not qualify for health insurance or cannot afford health insurance.

NYC Care helps you stay healthy with access to regular, preventive care. Through this program, you can:

- + Choose a primary care provider, who will learn about your medical history and health goals. You do not have to wait until you are sick to get care.
- + Get a unique membership card to access health care. Your card shows the fees you can expect to pay for services.
- + Call our NYC Care Contact Center, available 24/7, when you need help. In case of emergency, always call 911.
- + Get access 24/7 to low-cost prescription medication, including off-hour pickups for regular refills. You can also get refills overnight when needed.

**Important:** People who are eligible for Medicaid, Medicare, the Essential Plan or a Qualified Health Plan (QHP) available through the Affordable Care Act (ACA) should enroll in the insurance plan available to them.

If you have health insurance now, do NOT drop it. Insurance provides more choices and options to meet your health care needs.

### WHERE CAN I USE NYC CARE?

NYC Care offers a network of providers only at NYC Health + Hospitals facilities. Find a list of fees to get services at these sites on your card.

You may get a higher bill if you receive emergency care, are hospitalized or visit providers out of network or outside New York City.

For a list of NYC Health + Hospitals locations where you can use NYC Care, call the NYC Care Contact Center or visit [nyccare.nyc](https://nyccare.nyc)

## How much does it cost to participate

Since NYC Care is not health insurance, there are no membership fees, monthly fees or premiums. Your cost to receive health care is based on a sliding-scale fee per service (see page 12).

## How to renew your membership

NYC Care will have a financial counselor at NYC Health + Hospitals screen you every 12 months. The screening will show if you are eligible for insurance. If not, the financial counselor will help you renew your NYC Care membership.

## YOUR MEMBERSHIP CARD

You will get a membership card in the mail. Carry this card always but especially when:

- + Visiting your primary care provider
- + Getting any health care services at NYC Health + Hospitals facilities

MEMBER FEES

The card shown is a sample of the front and back of an NYC Care membership card.

Your card is unique to you and shows your fees for health care services.

### **How to replace your membership card**

If you lose your membership card, call the NYC Care Contact Center at 1-646-NYC-CARE (1-646-692-2273) to order a new one. Customer Service is available 24/7.

## **YOUR PRIMARY CARE PROVIDER**

Your primary care provider will coordinate your health care and connect you with other services you need. Your provider can be a doctor, nurse practitioner or physician assistant. Their most important job is to help you avoid getting sick. This is called preventive care (examples are routine health screenings and vaccinations). Getting it regularly makes needing emergency care less likely.

### **How to choose your primary care provider**

For the best preventive care, NYC Care encourages you to choose a primary care provider that you can trust. This will make sharing your medical and lifestyle information easier. You will work together to begin, or continue, a health routine that includes diet, weight control and exercise.

The NYC Care Contact Center helped you choose a primary care provider when you enrolled. If you have not chosen or want to change your primary care provider, you can call the NYC Care Contact Center. It is important that you feel comfortable with your choice.

## **YOUR HEALTH CARE SERVICES**

As a member of NYC Care, you have access to many health services. Your primary care provider will help coordinate them, including medication. All specialty services (like Cardiology or Podiatry) need a referral from your primary care provider – except Women’s Health.

Some of the health care services available to you are:

### **Primary and Preventive Care**

Your primary care provider treats routine physical conditions, such as high blood pressure and pain. They can give routine vaccinations and screenings, like mammograms and colonoscopies. They also test for and help you manage chronic disease.

Your primary care provider leads your health care team. It may include nurses, medical assistants, social workers, pharmacists, nutritionists and assistants. They can all help you ask for referrals or make appointments.

Generally, if you are healthy, you only need to visit your primary care provider once a year. (Patients with chronic disease need visits more often.)

However, you can visit your primary care provider whenever you have a health concern. For urgent services, the NYC Care Contact Center can make same-day appointments 24/7.

### **Specialty Care**

Your primary care provider works closely with specialists and can help decide if you need their services. Examples of specialty care services are:

- |                |                              |
|----------------|------------------------------|
| + Cardiology   | + Gastroenterology           |
| + Rheumatology | + General Surgery            |
| + Orthopedics  | + Ear, Nose and Throat (ENT) |
| + Podiatry     | + Psychiatry                 |
| + Bariatrics   |                              |

### **Behavioral Health and Substance Use**

Besides your physical health, NYC Care knows that mental and behavioral health is also important. Your primary care provider is here to support you if you are going through a long period of sadness, stress, nightmares or anxiety

or are using tobacco, alcohol or other drugs. Your provider can refer you to the right mental and behavioral health specialist, like a social worker, therapist or psychiatrist.

### **Women's Health**

NYC Care members get Women's Health services like Obstetrics and Gynecology, family planning, sexually transmitted infection testing and more.

#### **IMPORTANT**

You do not need a referral from a primary care provider to make an appointment with a Women's Health provider.

### **Medications**

NYC Care members get low-cost prescription medication and pharmacy access 24/7. Remember to read the information on your medication to learn when and how to take it.

You can get refills for some medication. There are three ways to ask for refills:

1. Go to the pharmacy at any NYC Health + Hospitals facility and ask them to call your primary care provider.
2. If you have a MyChart account, log on and ask for a refill.
3. Call the NYC Care Contact Center at 1-646-NYC-CARE (1-646-692-2273).

### **Vision**

Our ophthalmologists (eye doctors) can examine your eyes and give you eyeglass prescriptions. Get a referral from your primary care provider.

### **Support Services**

Where and how you live may affect your physical, mental and behavioral health. NYC Care knows this, so it offers support services. The social workers in your health care team can connect you with free housing, legal, financial, food and nutrition help. Speak with your primary care provider about the social support that NYC Care offers.

## Health care services not covered

NYC Care does not cover these services, but you may be able to get them at NYC Health + Hospitals:

- + Cosmetic procedures – unless you need them for a medical reason
- + Dental services – available to NYC Care members and other uninsured patients through NYC H+H Options (a free or discount payment plan to make health care services affordable)
- + Skilled nursing or long-term acute care
- + Emergency care and hospital stays – Emergency Medicaid may cover these services

## HOW TO GET AND MANAGE YOUR CARE

### How to make your appointments

When you enrolled, the NYC Care Contact Center should have booked your first primary care visit. This appointment should be within two weeks of enrollment.

If you do not have your first primary care appointment yet, call the 24-hour NYC Care Contact Center at 1-646-NYC-CARE (1-646-692-2273). There are no walk-in hours for routine visits, so you will need to make an appointment to see your provider. The NYC Care Contact Center can help if you need to make an appointment urgently.

You can make all appointments with your primary care provider, Women's Health care provider or referred specialists by calling the NYC Care Contact Center or visiting MyChart (see next page).

When scheduling an appointment, please give:

- + Your name
- + The name of your primary care provider
- + Your NYC Care membership number, located on the front of your membership card

Always bring your membership card to all NYC Care appointments.

### IMPORTANT

If you need to change or cancel an appointment, please call the NYC Care Contact Center as soon as possible. This allows another patient to use the appointment time.

## About MyChart online

MyChart is a free, easy and secure tool to view and manage your health information online any time. Access your medical record portal through the MyChart mobile app or website to:

- + Ask for appointments with your primary care provider, Women's Health provider and referred specialists
- + Get medication refills
- + Review your lab results and visit notes
- + Message your primary care provider and health care team
- + Providers may also message you about your health care – saving you time and money because you do not have to come in person

To set up your MyChart account, there are two options:

1. Talk to a member of your health care team. You will then get an invite in your email to create an account.
2. Sign up on [mychart.nychealthandhospitals.org](https://mychart.nychealthandhospitals.org)

*MyChart is a tool for your convenience, available in English, Spanish and French. You do not have to use MyChart to participate in NYC Care.*

## Get ready for your first appointment

To get the best care, your primary care provider needs to know your medical history and health goals.

Please bring the following to your first appointment:

- + All of your prescription and over-the-counter medication (such as pills, injections, inhalers, herbs, supplements, etc.)
- + Your filled-out Adult Initial Health History Form (you got this in the mail with your membership card)
- + Your medical records (especially vaccination record, colonoscopy or mammogram reports and Pap smear results, etc.)
- + Advance directive or health care proxy form
- + Questions about your health or medication

## BILLING AND FEES

NYC Care health services are available at a discount rate based on your household size and income. Find a list of fees for common services on the back of your NYC Care membership card or in the chart on the next page.

If your household income is greater than the limit for the household size in the chart, your bill will be based on the self-pay rate for the care received. Payment plans may be available.

### How to pay

NYC Care encourages you to pay your fees at the time you get health care services. You can pay with cash, credit card or debit card. If you cannot pay then, NYC Care will mail the bill to your home.

If you get a bill you cannot pay, call the NYC Care Contact Center to discuss your options.

**Important:** When you enroll in NYC Care, discounts based on your household size and income may be applied to prior NYC Health + Hospitals bills.

## POLICIES AND PROCEDURES

如果您遺失了會員卡，請致電 1-646-NYC-CARE (1-646-692-2273)，聯絡 NYC Care 聯絡中心訂製新會員卡。客戶服務部 24/7 全天候為您提供服務。

### 您的主治醫生

您的主治醫生將協調您的醫療保健，並連結其他有需要的服務。您的服務提供者可以是醫生、執業護士，也可以是醫生助理。他們最重要的工作是協助您避免生病。這稱為預防性護理（例如常規健康檢查和疫苗接種）。定期獲得此類護理會減少需要緊急護理的可能性。

### 如何選擇主治醫生

為獲得最佳預防性護理，NYC Care 鼓勵您選擇您能夠信任的主治醫生。這樣您更能放心分享您的醫療和生活方式資訊。你們會一起開始或繼續某個保持健康的例行活動，包括飲食、體重控制和運動。

在您參加時，NYC Care 聯絡中心協助您選擇了主治醫生。如果您尚未選擇或者想要更換主治醫生，則可致電 NYC Care 聯絡中心。您對自己的選擇感到滿意非常重要。

## 您的醫療保健服務

作為 NYC Care 的會員，您能夠獲得許多醫療保健服務。您的主治醫生將幫您協調這些服務，包括藥品。除婦女保健外，所有專科服務（例如心臟病科或足科）都需要來自您主治醫生的轉介。

可提供給您的一些醫療保健服務為：

### 初級和預防性護理

您的主治醫生會治療一般病情，例如高血壓和疼痛。他們可進行例行疫苗接種和篩查，例如乳房 X 光檢查和結腸鏡檢查。他們還檢查並協助您控制慢性病。

您的主治醫生領導您的醫療保健團隊。該團隊可能包括護士、醫療助理、社工、藥劑師、營養師和一般助理。他們都可協助您要求轉診或進行預約。

一般而言，如果您很健康，您只需每年看一次您的主治醫生。（慢性病病患需要就診的次數較多。）

但無論何時您有健康問題，都可到您的主治醫生那裡就診。如需緊急服務，NYC Care 聯絡中心可 24/7 全天候進行當天預約。

### 專科護理

您的主治醫生與專家密切合作，並且可協助您確定是否需要他們的服務。專科護理服務的範例為：

- |        |              |
|--------|--------------|
| + 心臟病科 | + 消化內科       |
| + 風濕病科 | + 一般外科       |
| + 骨科   | + 耳鼻喉科 (ENT) |
| + 足科   | + 精神科        |
| + 肥胖病科 |              |

### 行為健康和物質使用

除您的身體健康外，NYC Care 還知道心理和行為健康也很重要。如果您正經歷長期的悲傷、壓力、做噩夢或焦慮，或者如果您正在吸煙、酗酒或吸食其他毒品，您的主治醫生將隨時為您提供支援。您的服務提供者可將您轉介給合適的心理和行為健康專家，例如社工、治療師或精神科醫生。

## 婦女保健

NYC Care 會員可獲得婦女保健服務，例如婦產科、家庭計劃、性傳播感染檢查等。

### 重要說明

您無需來自主治醫生的轉介便可與婦女保健提供者約診。

## 藥品

NYC Care 會員可 24/7 全天候獲得低成本處方藥和藥房服務。請記得要閱讀有關藥品的資訊，以瞭解何時服用以及如何服用此藥品。

您可以獲得某些藥品的補充藥品。要求補充藥品的方法有三種：

1. 請前往任何 NYC Health + Hospitals 機構的藥房，並要求他們致電您的主治醫生。
2. 如果您有 MyChart 帳戶，請登入並要求提供補充藥品。
3. 請致電 NYC Care 聯絡中心，電話為 1-646-NYC-CARE (1-646-692-2273)。

## 視力

我們的眼科醫生可檢查您的眼睛，並為您提供配鏡處方。請取得您主治醫生的轉介。

## 支援服務

您的居住場所和生活方式可能影響您的身體、心理和行為健康。NYC Care 瞭解這一點，因此提供支援服務。您醫療保健團隊中的社工可為您接洽免費的住房、法律、財務、食品和營養方面的協助。與您的主治醫生談論 NYC Care 提供的社會支援。

## 未涵蓋的醫療保健服務

NYC Care 不涵蓋以下服務，但您可能可以在 NYC Health + Hospitals 獲得這些服務：

- + 整容手術 - 除非您出於醫療原因而需要進行這些手術

牙科服務 - NYC Care 會員和其他無保險病患可透過 NYC H+H Options 獲得（該計畫旨在使醫療保健服務成為可負擔得起的免費或折扣付款計畫）。

- + 專業護理或長期急症護理

- + 緊急護理和住院 - Emergency Medicaid 可能承保這些服務

## 如何獲得並管理您的護理

- + 獲得補充藥品
- + 檢視您的實驗室結果和就診記錄
- + 向您的主治醫生和醫療保健團隊傳送訊息

2. 在 [mychart.nychealthandhospitals.org](http://mychart.nychealthandhospitals.org) 上註冊

MyChart 是一種為您提供方便的工具，其採用英語、西班牙語和法語。不使用 MyChart 也能參與 NYC Care。

## 為您的第一次約診做好準備

為獲得最佳護理，您的主治醫生需要瞭解您的病史和健康目標。

請在您第一次約診時帶上：

- + 填好的成人初步病史表（隨附在包含您會員卡的郵件中）

根據您的家庭人數和收入以折扣價提供 NYC Care 醫療保健服務。NYC Care 會員卡的背面或下一頁的圖表中列出了常見服務的費用。

如果您的家庭收入大於該圖表所列的相應家庭人數的限額，那麼您的帳單將根據所獲得護理的自付費率來開立。可能有不同的付款計劃。

### 如何付款

NYC Care 鼓勵您在獲得醫療保健服務時就支付費用。您可以使用現金、信用卡或簽帳卡付款。如果您無法當場付款，NYC Care 會將帳單郵寄到您家。

如果您收到帳單但無法付款，請致電 NYC Care 聯絡中心，討論您的選擇。

**重要說明：**當您參加 NYC Care 時，基於您家庭人數和收入而給的折扣可能可以適用於先前的 NYC Health + Hospitals 帳單。
