In New York City, we believe health care is a human right. No matter where you were born or how much money you have, you have a right to quality, affordable health care in our city. NYC Care is a health care access program that guarantees services at little or no-cost to New Yorkers who do not qualify for or cannot afford health insurance. The program is now available in all five boroughs at NYC Health + Hospitals locations.

With NYC Care, you can:

- + Get a membership card to access health care at NYC Health + Hospitals patient care sites in your community.
- + Get your first appointment within two weeks with your own primary care provider who will help you avoid getting sick and connect you with other services you need to stay healthy.
- + Get help whenever you need it by calling our Call Center, available 24/7.
- + Get 24/7 access to low-cost prescription medication.
- + Stay healthy with support from an entire primary care team that includes nurses, mental health professionals, medical assistants, social workers, pharmacists, and nutritionists.
- + Afford quality health care. There are no costs to join or monthly fees. Your cost to receive health care is affordable, based on your income.
